Utilization

Member: Please present this ID card to your healthcare professional when receiving services. Certain services, including hospital admissions, require a prior authorization from Prominence Health Plan (PHP). Notification must be provided to PHP within 48 hours of all emergency admissions. PHP requires appropriate utilization of emergency, urgent and other services.

Provider: All services must be provided or arranged by a Prominence Health Plan participating provider, except in the case of an emergency when necessary medical treatment should be provided to the member.

Customer Service
