Prominence Health Plan
FORMULARIO DE NEVADA
Membresía comercial

Prominence®
Health Plan

Conozca su Formulario de farmacia

Prominence Health Plan desarrolla un Formulario sólido desde el punto de vista médico que respalda la salud del paciente y es revisado por un Comité de Farmacia y Terapéutica (P & T Committee), compuesto por médicos, farmacéuticos y enfermeros practicantes. El comité revisa y evalúa los medicamentos del Formulario según su seguridad y eficacia para ayudar a mantener la integridad clínica en todas las categorías terapéuticas.

El Formulario del plan de salud también utiliza funciones de administración de utilización para promover el uso de agentes rentables específicos. Estas funciones de administración de utilización incluyen terapia escalonada, autorización previa, límites de cantidad y edad.

DISEÑO DEL FORMULARIO

El diseño del Formulario de Prominence Health Plan presenta diferentes montos de copago para medicamentos en niveles:

- **Nivel 0** Beneficios preventivos de salud esenciales (incluye determinadas vacunas, anticonceptivos, medicamentos para dejar de fumar y más)
- **Nivel 1** Medicamentos genéricos
- **Nivel 2** Medicamentos de marcas preferidas
- **Nivel 3** Medicamentos de marcas no preferidas
- **Nivel 4** Medicamentos de especialidades

FARMACIA POR CORREO

Si toma los medicamentos recetados con regularidad, puede recibirlas directamente en su puerta.

El programa de farmacia por correo ofrece un servicio de entrega personalizado para sus medicamentos de mantenimiento, los que toma regularmente para afecciones crónicas o a largo plazo. USO DE LA GUÍA DE REFERENCIA DEL FORMULARIO PARA AYUDAR A CONTROLAR LOS COSTOS

Prominence Health Plan utiliza este Formulario para ayudar a administrar el costo total de brindar beneficios de medicamentos recetados. Este Formulario ofrece una amplia variedad de medicamentos de entre los que puede elegir. Es posible que esta guía de referencia del Formulario no incluya todos los medicamentos de todos los fabricantes. Sin embargo, elegir un medicamento preferido cuando sea apropiado puede brindar acceso a los medicamentos necesarios para mantenerse saludable, a un costo más accesible.

Si un producto de marca aparece en la sección de "medicamentos de marcas preferidas" y su producto genérico correspondiente no aparece en la sección de "medicamentos genéricos", entonces no hay disponibilidad de una versión genérica del medicamento.

AHORRO EN COSTOS DE LO QUE PAGA DE SU BOLSILLO

Su plan de medicamentos recetados determina el costo de los medicamentos genéricos, de marcas preferidas, de marcas no preferidas y de especialidades. El elegir medicamentos no preferidos puede significar pagar gastos de bolsillo más altos (como coseguro, copagos y montos deducibles) o no recibir cobertura en absoluto. Los miembros también pueden pagar menos por los medicamentos genéricos, se le puede solicitar que pague la diferencia del costo entre los medicamentos de marca y sus alternativas genéricas, que son las preferidas por el plan.

AUTORIZACIÓN PREVIA

Ciertos medicamentos pueden requerir una autorización previa. Su proveedor debe completar un formulario de autorización previa que solicitará cobertura para un medicamento específico dentro del Formulario, un medicamento fuera del Formulario para el cual no hay una alternativa adecuada disponible o cualquier medicamento con restricciones.

CONSULTAR EN EL CONSULTORIO DEL PROFESIONAL QUE EMITE LA RECETA CUANDO SEA APROPIADO

Su beneficio de farmacia puede brindar cobertura solo para ciertos medicamentos o para usos, períodos de tiempo, dosis o cantidades particulares (por ejemplo, pueden excluir la cobertura de medicamentos para indicaciones cosméticas, no aprobadas o no probadas, así como medicamentos de venta libre). Cuando la cobertura de los medicamentos se proporciona según el uso o la cantidad, nuestro Equipo de Farmacia puede comunicarse con el consultorio del médico que emite la receta para obtener información adicional con el fin de determinar si la cobertura está disponible en su plan. Si no está seguro de si estas normas de cobertura se aplican a un medicamento en particular, puede consultar a un representante de Servicios para los Miembros para determinar los requisitos de cobertura específicos.

Formulario de exclusión de responsabilidad: La cobertura de algunos medicamentos puede limitarse a formas de dosificación y/o concentraciones específicas. El diseño de beneficios determina qué está cubierto y cuál es el copago correspondiente. Los medicamentos enumerados en este Formulario están sujetos a cambios de conformidad con las actividades de administración del Formulario de Prominence Health Plan. La presencia de un medicamento en esta lista de Formulario no garantiza la cobertura. También puede llamar al Servicio de atención al cliente de Prominence al número que figura en su tarjeta de identificación para solicitar que se le envíe una copia por correo.

Abreviaturas de uso frecuente/Terminología

QL

Límite de cantidad: Para determinados medicamentos, Prominence Health Plan limita la cantidad de medicamento que cubre. Por ejemplo, Prominence Health Plan proporciona doce tabletas por receta de sumatriptán (succinato). Esto puede ser además de un suministro estándar para un mes o para tres meses.

ST

Terapia escalonada: En algunos casos, Prominence Health Plan le exige que primero pruebe determinados medicamentos para tratar su afección médica antes de cubrir otro medicamento para dicha afección. Por ejemplo, si tanto el Medicamento A como el Medicamento B tratan su afección médica, podríamos no cubrir el Medicamento B, salvo que usted pruebe primero el Medicamento A. Si el Medicamento A no funciona para usted, cubriremos el Medicamento B, sujeto a autorización previa y otros requisitos.

PA

Autorización previa: Prominence Health Plan exige que usted o su médico obtengan autorización previa para determinados medicamentos. Esto significa que tendrá que obtener nuestra aprobación antes de surtir sus recetas. Si no obtiene la aprobación, podríamos no cubrir el medicamento.

LA

Disponibilidad limitada: Este medicamento recetado podría estar disponible solo en determinadas farmacias. Para obtener más información, consulte su Directorio de proveedores y farmacias o llame al Servicio de asistencia de farmacias 24 horas al día, 7 días a la semana.

EDAD

Edad: Existen restricciones de edad, el proveedor que restricciones de edad para ciertos medicamentos. Para que se receta deberá presentar una autorización preconsiderada en estas

NSO

New Starts Only (Solo nuevos comienzos): Si no hay evidencia de que ya haya tomado anteriormente este medicamento, se exige que usted (o su médico) obtenga una autorización previa de nuestro plan antes de surtir la receta para este medicamento. Sin aprobación previa, nuestro plan podría no cubrir este medicamento.

ON

Opiáceo ingenuo: Un miembro es designado como sin experiencia en opiáceos si no se le ha surtido una receta en los últimos 60 días. Si un miembro no tiene experiencia en opiáceos, puede recibir un suministro de medicamentos de hasta siete días por la primera vez que se surte el medicamento recetado. Después del surtido inicial, el miembro puede recibir un suministro de hasta 30 días.

Es común que los miembros nuevos de Prominence que tienen medicamentos opiáceos recetados y surtidos regularmente se marquen como Opiáceo ingenuo (Opiate Naive, ON) porque Prominence no tiene el historial de prescripciones del proveedor de salud anterior. Debido a esto, los nuevos miembros recibirán un suministro de medicamentos de hasta siete días por la primera vez que se surte la receta y luego un suministro de hasta 30 días para las recetas posteriores.
